A meeting was held at Seastreak Beach utilizing the proper Social Distancing State Guidelines. The purpose was for the Restaurants to discuss their future business operations in anticipation of the Governor’s executive order for Outside Dining.

The Businesses gave their concerns to Mayor Broullon. The Mayor described ways the Borough can draft a resolution to help the businesses find a way to survive this crisis. The Mayor told the Businesses all the ways the Borough can help them and be a resource to them during this unprecedented situation such as temporarily closing streets, waiving outdoor dining fees, allowing tents and help with barriers. As we wait for the Governor to make his announcement, the Governing Body is discussing how to outline guidelines for the restaurants.

Mayor Broullon will provide us with an update once this is discussed with Council.

Meeting adjourned 11:20 AM
