A meeting was held at the backyard of Mayor Broullon utilizing the proper Social Distancing Guidelines. The purpose was for the Restaurants and Businesses to prepare their final documentation for Outside Dining guidelines.

The businesses discussed their outdoor operation and the items that were still needed such as barriers, etc. All businesses were able to use their property with the exception of Porcinis as the sidewalks were too narrow. Mayor Broullon and Donica Basinger offered their parking lot from Feed & Seed to Porcini to meet their outdoor requirements. A separate discussion will take place to solidify their arrangement. The Businesses thanked Mayor Broullon for expediting the process and waiving the fees and being supportive of the business community during these unprecedented times.

HBP acknowledged Leo Cervantes & Dave Baker for Breakfast.

Meeting adjourned 11:40 AM
