The Questions below were handed out on a sheet and no one completed answers.

1. Please write your opinion on the Bid's most important function should be?
2. What specific future direction should the BID take?
3. What can we do to improve our program?
4. What Criticism do you have if any?
5. Do you think the BID is good for Highlands?
6. Do you believe the BID should continue?

There were discussions of creating a new tangible project in an attempt to do something other than Marketing and Events. Discussions from people involved at the introduction of the ordinance 5 years ago were transpired. Only 2 members present were negative towards the organizations.

A copy of the Videotape will be forwarded to Mayor & Council and is available by written request to HBP Office.

Reporter from the APP was asked to leave, as HBP General Members were uncomfortable to speak in her presence.
